**Issuing of Section 149 Certificates
Advice on Properties within 4.8 km of
Lucas Heights Establishment**

1. That the environmental risk posed by the HIFAR reactor be addressed by adopting a new planning policy as follows:-

- (a) Land within a 1.6km radius of the HIFAR reactor be an "urban development exclusion zone";
- (b) Properties within the 2.5km radius of the HIFAR reactor be advised on S.149 planning certificates (Section 7) the following:

"The property is within an area identified as a response zone for emergency planning purposes, as advised by the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA)".
