7. MAYORAL MINUTES

MM019-19 Mayoral Minute - Excellence in Teaching

MM019-19 MAYORAL MINUTE - EXCELLENCE IN TEACHING

Attachments: Nil

I would like to acknowledge Emma Follett of Bonnet Bay Public School, who was awarded The Minister's Award for Excellence in Teaching. This award considers professional knowledge, practice and engagement.

Ms Follett was among 115 individuals and schools recognised at the 2019 NSW Minister's and Secretary's Awards for Excellence.

The annual awards showcase NSW public school students, teachers, staff and parents who have made major contributions to their school communities and serve as role models to their peers. They also acknowledge schools that have embraced innovative programs to turn around school results and are changing the way education is delivered within the government system.

Ms Follett's nomination stated that:

"As an exemplary practitioner, Emma inspires students and staff in their knowledge and love of literature and technology. She has transformed the school library to become a vibrant hub of creation and learning. Emma's best authentic practice allows students to become curious independent lovers of learning. Her influential role in engaging, motivating and challenging students to become problem solvers, thinking creatively and critically has inspired our whole learning community at Bonnet Bay Public School."

I present this Mayoral Minute in recognition and appreciation of Ms Follett's dedication and commitment to education.

MOTION

THAT:

Council extends congratulations to Emma Follett on receiving the Minister's Award for Excellence in Teaching for her dedication and commitment to education

Councillor Carmelo Pesce
Mayor
