LATE MATTERS RAISED AT MEETING

Tanmila Islam (representing Roads and Maritime Services) raised the matter of driver vision issues and cyclist safety at the corner of Garvan Road and the Princes Highway, Heathcote. There is no clear line of sight for motorists entering the Princes Highway from Garvan Road creating a danger to cyclists riding along the Highway. The traffic holding lines in Garvan Road need to be reviewed. After discussion it was recommended that;

1. Urgent investigations are undertaken by Roads and Maritime Services regarding the safety of and conflict between motorists and cyclists at the intersections of Princes Highway with Burns Road and Garvan Road Heathcote with a view to relocating the existing intersection holding lines beyond the path of cyclists in Princes Highway whilst maintaining adequate intersection sight distances for motorists.
2. Council assist where required.

The Meeting closed at 10:20 am.
