

# REVITALISING KIRRAWEE CENTRE

## CONSULTATION RESULTS - MARCH 2020

### CONSULTATION PROCESS

Sutherland Shire Council consulted with the community from 26 February to 11 March 2020, seeking feedback on how to improve the facilities within the shopping precinct in Oak Road, Kirrawee.

We asked the community to comment on the ideas proposed by Council and submit their own ideas.

### PLATFORMS USED

- Letterbox flyers
- Leader newspaper advertising
- Social media
- Drop-in information session
- Online - Join the Conversation
- Council Engagement eNewsletter
- Workshops with local businesses

### OVERVIEW OF ENGAGEMENT

**100**

**1**

Call received about project

**3**

Written submissions received about project

### ONLINE SURVEY AND BRAINSTORM RESULTS

- Received a total of 216 submissions
- The most common suggestions were; improved traffic management and intersections, more parking, an ATM, lighting, pedestrian safety improvements, a roundabout facility and public art
- Received a total of 463 votes on ideas. The idea 'Improve street appeal and comfort' received the highest votes (26)
- 65% of participants live in Kirrawee

### WHAT YOU TOLD US

- "A community hub where people can engage with art, music and people. A place to sit and enjoy clever landscaping and colourful visual spaces."
- "Return to the village look with gardens along footpaths as barriers to traffic coming into footpaths and making dining areas more pleasant."
- "Get the fairy lights in the trees fixed. Looks beautiful in the evenings and is unique to Kirrawee."
- "Create a bit more atmosphere. Let's make Kirrawee even more beautiful and a real destination."
- "The traffic signal timings appear to be a serious issue with a long line of traffic regularly building up waiting to move into Oak Road from surrounding areas."
- "Need more parking for shops on Oak Road - either widen road and make rear to kerb or add more in Flora Street to access shops."

### WHAT'S NEXT

Council will determine the scope of the improvements to Kirrawee Centre and further consultation will be carried out with the community on the concept designs.
