

A trial of the Cronulla Special Entertainment Precinct is underway

A 12-month trial of the Cronulla Special Entertainment Precinct (SEP) began on 4 September 2026.

This means Cronulla has become the State's first beachside SEP.

The SEP represents an innovative new way to manage and encourage thriving, safe and sustainable night-time activity. It seeks to:

- Create a clear and consistent framework for entertainment-related sound limits and later business trading hours.
- Enable more live music and creative, lifestyle and dining activities.
- Ensure residents continue to enjoy reasonable amenity.

The SEP will reinforce and expand Cronulla's status as one of the State's best going out destinations.

The Cronulla SEP has been established by Sutherland Shire Council and proudly funded by the NSW Government.
