

Detailed Frontage Works Application

Section 139 of the Roads Act 1993

We do not accept applications via facsimile or email.

Use this application form to obtain Roads Act Approval for frontage works required as specified in Conditions of Consent for Development Applications. This application includes the issue of Property Alignment Levels which is required prior to the issue of any Construction Certificate.

Note: This application will not be processed without payment of the application fee.

Please allow approximately 2-4 weeks for the issue of a design brief. An additional cost is applicable where Council completes the design rather than an external consultant.

Council reserves the right to complete the design where required.

The issue of Roads Act Approval is subject to the acceptance of the design plan by Council's Public Domain Engineer.
