★
- Drainage pipes
—
- Sub-catchment outlet
▲
- Sub-catchment boundary
—
- Q100 flood extent
—
- Q-extreme flood extent
—

DISCLAIMER

This map shows a preliminary indication of the likely areas affected by the 100 year and extreme floods, for the assessed drainage systems in Sutherland Shire. It is based on an initial, subjective assessment and should only be used to determine where detailed flood assessments are warranted.
